

Almond Touch

Pink hand soap

Product Features

- Contains no harsh alkalis, abrasives, or solvents
- Mild yet effective. Will effectively clean without leaving skin feeling dry & cracked
- pH balanced formula to provide for optimum skin compatibility
- All surfactants used in the manufacture of this product are readily biodegradable

Description

ALMOND TOUCH is a viscous hand cleaner with a pleasant almond scent. It is designed to remove heavy industrial-type soils where the average hand cleaner is unsatisfactory. ALMOND TOUCH is non-irritating and its high quality emollients make it gentle on even the most sensitive skin.

Applications include

- General purpose hand washing
