

Citrus-Sol

Solvent-enhanced All-Purpose Cleaner & Degreaser

Product Features

- High performance cleaner & degreaser
- Non-corrosive and safe to use on most surfaces
- Penetrates and removes tough dirt, greases, and grime
- Great choice for outdoor cleaning tasks where detergent may accidentally dry on surface (cleaning RV's, equipment, decks, houses, etc). Dried residue rinses away quite easily
- High foaming
- Effective deodorizer, leaving behind a fresh citrus scent
- Suitable for use on most metals including aluminum

Description

Citrus-Sol is a highly effective cleaner, degreaser, emulsifier and deodorizer that contains a combination of synthetic detergents, water softeners, performance additives, corrosion inhibitors and citrus-derived solvents. The product is non-corrosive and is designed for a wide variety of applications. Citrus-Sol eliminates risks normally associated with aggressive degreasers. Minimal PPE (Personal Protective Equipment) is required for handling this product and it will not produce noxious odours making it safer for others working close by. After usage, Citrus-Sol it leaves behind a fresh citrus scent.

Applications include

- Virtually any cleaning/degreasing task
- General purpose pressure washing
- Cleaning and maintenance Services
- All-purpose cleaning
- Indoor/Outdoor cleaning, including in direct sunlight
- Industrial laundry (pre-spotter)
- Removal of black marks/scuffs (shoes, hockey pucks, etc)

Directions For Use

Apply solution to porous or non-porous surface using a foamer, sponge, soft brush or cloth. Let stand for up to 15 minutes depending on the severity of the cleaning task. Some agitation may be required and product should be rinse prior to drying, although if allowed to dry, Citrus-Sol residue remains easy to rinse away.

Dilution rates:

For light duty cleaning	dilute 1:40 to 1:80 with water
For medium duty cleaning	dilute 1:10 to 1:40 with water
For heavy duty cleaning	dilute 1:2 to 1:10 with water

let stand approximately 2-5 minutes prior to rinsing.

If possible, use warm to hot water (40-60 C) when diluting this product as the higher temperature will enhance the performance of Citrus-Sol.

RINSE THOROUGHLY FROM ALL SURFACES

Product Properties

Appearance	Thin green liquid
Odor	Citrus
Specific Gravity, at 20°C	0.98-1.04 kg/L
Freeze Point	0°C
pH, 1% solution, at 20°C	9.5-10.5
Shelf Life	1 year minimum

Available Packaging

4x4L Cases	205 L Drums
20 L Pails	1000 L Totes
