

Grill & Fryer Cleaner

Heavy Duty Alkaline Degreaser

Product Features

- Highly concentrated
- Penetrates and breaks down greases, oils, and carbonized soils
- Allows for cleaning without the use of abrasives that could damage surfaces
- Phosphate-free
- 100% Biodegradable

Description

GRILL & FRYER CLEANER is a heavy duty alkaline detergent/degreaser designed to quickly remove heavy greases, oils, and carbonized soils. Its grease removing components work quickly and without the use of abrasives to avoid scratching the surface of equipment. The product also contains a special tracer that whitens upon drying and allows the user to visually detect when the product has been removed.

Product Properties

Appearance	Yellow liquid
Specific Gravity, at 20°C	1.00-1.10 kg/L
Freeze Point	0°C
pH, 1% solution, at 20°C	11.5-13.5
Shelf Life	1 year minimum

Available Packaging

- 4 x 1 gal Cases
- 5 gal Pail

Applications include

- Oven & Grill cleaning
- Heavy duty cleaning/degreasing tasks
- Kitchen hood degreasing/cleaning

Directions For Use

- (1) Scrape heavy debris from grill surface.
- (2) Raise or lower temperature to between 30-60°C
- (3) Spray or pour product on entire grill surface. A 50/50 solution with water is recommended.
- (4) Immediately wipe grill with cloth or non-abrasive pad.
- (5) Flush with a mild acid rinse (dilute vinegar) or flush with water and wipe with wet towels
- (6) Reprocess grill with oil to prevent sticking.

For Deep Fryers: Drain oil and remove food debris. Fill with hot water up to the grease line and add 60-120 mL of product. Bring to a low boil for 15-20 minutes. Cool, brush, drain, flush. Rinse and neutralize with a mild acid solution.
