Description

NEUTRACLEAN is a powerful and highly concentrated neutral floor cleaner, yet it is safe on all types of floors including finished floors. It efficiently removes dirt, grease, grime and traffic soil. It will not mar, damage, or dull existing floor finish and does not require rinsing. NEUTRACLEAN contains emulsifying agents and optical brighteners to rejuvenate surfaces and its low-moderate foaming makes it suitable for use in automatic scrubbers and mop buckets. The powerful blend of surfactants can be used with hard or soft water on all floor surfaces and is designed to remove soils without leaving a film or haze
