

OXY ORANGE PRESPOTTER

High Performance Laundry Prespotter

Product Features

- Readily Bio-degradable
- Versatile
- Quick and Convenient
- Phosphate Free
- Citrus Solvent Enhanced
- High Performance

Description

Oxy Orange is a high performance laundry pre-spotter that combines the cleaning power of citrus terpenes and hydrogen peroxide. This product is specifically designed for quick penetration, digestion, and removal of a wide range of stains and soils. Oxy Orange will also help to contribute to whiter, more vibrant whites but also formulated to be safe on color fabrics.

Directions for Use

1. Carefully test a concealed area of fabric for colorfastness. Continue if color does not bleed.
2. Apply full strength Oxy Orange directly on to the stain and rub gently to ensure complete penetration of the stained fabric.
3. Allow approximately 5-10 minute dwell time before washing.

Note: This product can be used undiluted for heavy stains but can be diluted with water for use on lighter stains/soils.

Applications

When used as directed, Oxy Orange Prespotter is safe to use on all types of fabric. Removes:

- sauces
- blood
- dirt/mud
- grass
- oil/grease
- fruit
- bodily fluids
- coffee

Product Specifications

Physical State	Liquid
Appearance	Colorless to pale yellow
Odor	Citrus
Specific Gravity, at 20°C	1.05-1.18 kg/L
Flash Point	None
Freeze/Melting Point	Not Available
pH	Not Available
Storage & Handling	Store in a cool dry location Refer to MSDS
TDG (Canada)	Not Regulated (<450L rail or road)

1451 Highway Ave SE Redcliff, AB
