- Works well in all water types
- Ideal for many types of industrial and institutional laundry
- Performance and rinsability are unaffected by water hardness
- Contains sequestering agents and anti-redeposition additives
- Suitable for all soil classifications
- Effective cleaning and brightening

Description

PRO LAUNDRY DETERGENT is a highly concentrated liquid laundry detergent composed of surfactants, emulsifiers, water softening chelates, and brighteners. Its performance is unaffected by water hardness allowing the detergent to be utilized in all water types. This product offers exceptional detergency over a wide range of soils and is suitable for use on virtually all types of fabrics. PRO LAUNDRY DETERGENT provides superior cleaning action when used with PRO LAUNDRY XTREME BREAK as the two products are designed to be used in conjunction with one another.
