

# Ultra Pot & Pan

Heavy duty manual pot, pan, and dish detergent

## Product Features

- Cost effective, concentrated formula
- Excellent detergency
- Penetrates stubborn soils, releases food residue
- Quickly emulsifies oils & greases
- Versatile - effective for general-purpose cleaning
- Phosphate-free. Environmentally conscious

## Description

ULTRA POT & PAN is a high performance, citrus-scented, heavy duty liquid dish detergent designed for all food service and manual cleaning applications. It is excellent for dishes, glasses, utensils, trays, pots, pans, as well as general cleaning of facilities in kitchen, dining and service areas. ULTRA POT & PAN is a blend of highly active wetting agents that provide very fast and thorough soil penetration plus emulsification of fats and oils. This product efficiently removes grease and food residue from dishes and cookware in handwashing applications.

## Product Properties

Appearance	Amber liquid
Odour	Citrus
Specific Gravity, at 20°C	1.0 -1.1 kg/L
Flash Point	None
Freeze Point	0°C
pH, 1% solution, at 20°C	9 - 11
Shelf Life	1 year minimum

## Available Packaging

4x4L Cases  
20 L Pails

## Applications Include

- Cleaning dishes, glasses, utensils, pots & pans
- General purpose cleaning

## Directions For Use

Add ULTRA POT & PAN either by electronic feed system or manually as per manufacturer's recommendations. Use levels may vary depending on water conditions and soil loads. The recommended starter concentration range is 0.75-1.5 mL per liter of warm to hot water.

Due to the highly effective grease emulsifying properties of ULTRA POT & PAN it is recommended that users wear suitable rubber/nitrile gloves to avoid stripping oils from hands when using the product.
