

Dynasol HD

Extreme performance, ultra-duty industrial degreaser

Product Features

- Extreme performance degreaser free of any hydrocarbon-based solvents.
- A unique blend of surfactants, naturally derived solvents, and proprietary performance additives result in a highly versatile, biodegradable degreaser
- Effectively removes the most challenging grease/oils, as well as asphalt, tack oil, adhesives, tar, bitumen, invert, wax, etc
- Rinses with water for quick removal
- Non-corrosive. Does not contain any caustics, acids, petroleum distillates, chlorinated hydrocarbons or aromatic solvents

Description

Looking for an extreme performance, solvent-based degreaser? You search ends with DYNASOL HD. This product offers unsurpassed solvency power over a wide range of greases, oil, tar, adhesive, wax, as well as much more. DYNASOL HD is formulated with naturally-derived pine/citrus based solvents instead of traditional hydrocarbon based solvents that would otherwise tend to have more offensive smell and be a health hazard for users. The desirable safety and environmental profile of DYNASOL HD are important aspects of this product, but it's performance capabilities are what truly set it apart. DYNASOL HD contains unique, proprietary additives that allow it to rapidly penetrate and dissolve even the most stubborn deposits of asphalt, tar, grease, invert, tack oil, etc. This product is simply unmatched when it comes to these types of challenging cleaning applications

DYNASOL HD is completely biodegradable and contains no caustics, acids, petroleum distillates, chlorinated hydrocarbons or aromatic solvents.

Product Properties

| | |
|---------------------------|--|
| Appearance | Clear, colorless to pale yellow liquid |
| Odor/Fragrance | Strong pine/citrus |
| Specific Gravity, at 20°C | 0.80-0.90 kg/L |
| Flash Point | >49°C/120°F |
| Freeze Point | <-20°C/-4°F |
| Shelf Life | 2 years |

Available Packaging

18.9 L Pails
205 L Drums

Applications include

- Asphalt removal/dissolving
- Removal of asphaltenes from paving trucks and equipment
- Removal of oil sands, bitumen, heavy crude, invert, etc
- Extreme industrial degreasing
- Wax/Paraffin dispersant
- Cleaning heavy equipment such as heavy haulers, shovels, and dozers
- Degreasing engines, motors, pumps, etc
- Adhesive removal
- Oilfield tank cleaning
- Creosote removal
- Cleaning shop floors
- Heavy manufacturing - plants, refineries, smelters
- Parts cleaners
- Tool cleaning
- Surface preparation
- Environmental cleanup
