- Concentrated formulation delivers excellent results at lower end use cost
- Rinses easily leaving a film-free surface
- Low-Moderate foaming for easier rinsing
- Suitable for use on floors as well as any other hard surface
- Pleasantly scented

Description

MOP & GLO is a low-foaming, neutral pH floor and general-purpose cleaner designed for exceptional cleaning performance while preserving and enhancing floor finishes. Its gentle yet effective formula removes dirt and grime without marring, dulling, or damaging surfaces, ensuring long-lasting shine and durability. MOP & GLO features a fresh lemon-lime scent and is safe for use on a wide variety of flooring materials, making it ideal for both residential and commercial daily maintenance. Its versatile, low-foaming formula is perfect for mop and bucket applications as well as use in autoscrubbers.

Applications Include

- Mopping floors
- Automatic floor scrubbers
- General purpose cleaning

Directions For Use

For mopping and general cleaning typical usage levels range from 30-60 mL per 4 L of water. (1:70 to 1:140 dilution ratio)

Automatic scrubbers: Typical usage levels range from 15-30 mL of MOP & GLO per 4 L of water. (1:140 to 1:280 dilution ratio)
