

Pro Laundry Whites Reclaim

Heavy-duty chlorinated laundry stain releaser

Product Features

- Works well in all water types and in a wide range of water temperatures
- Contains sequestering agents and anti-redeposition additives
- Specifically designed for stain removal and enhancing linen whiteness
- Suitable for all soil classifications
- Use for white linens only

Description

PRO LAUNDRY WHITE RECLAIM is a powerful alkaline powdered laundry stain reclaim product designed for white linens only. It features a blend of surfactants, builders, and chelants for excellent soil removal, as well as optical brighteners and chlorine bleach to maintain and enhance linen whiteness.

This formula is highly effective in removing tough stains, including food soils, body soils, and makeup. Additionally, it contains a fragrance for optimum freshness, ensuring linens look bright and smell clean.

Product Properties

Appearance	white, powder
Odour	fresh
pH, 10% solution	>12.5
Shelf Life	1 year minimum

Applications include

- Commercial Laundry – Restores brightness to heavily soiled linens in hotels, hospitals, and nursing homes.
- Restaurants & Catering – Removes food stains, grease, and spills from white tablecloths, napkins, and kitchen linens.
- Industrial & Workwear – Eliminates body oils, sweat, and cosmetic stains from uniforms, lab coats, and medical scrubs.
- Athletic & Fitness – Cleans and brightens white towels, jerseys, and workout gear exposed to sweat and dirt.

Directions for Us

Use product by adding 60-118 mL (2-4 oz) per 100 lbs of laundry depending on soil load.

Contact your laundry specialist for specific use directions to fit your needs.
